

Operation Round Up

Operation Round Up is a program for Proctor Utility customers (water, sewer, electric) to contribute toward the local charity, *Playground for EveryBODY*. Customers can choose to have their monthly utility bills **rounded up** to the nearest dollar, with the exceeding cents going towards Operation Round Up. This program is voluntary and all contributions are tax deductible.

Since 2014, Proctor Utility customers have donated over \$6,000 to help build the Playground for EveryBODY. The Playground for EveryBODY is designed to allow all children, particularly those with physical disabilities, to “reach the top”. The play structure is fully ramped and all-inclusive with activities, slides, swings, towers, and climbing walls. This playground’s design goes beyond typical handicap accessibility guidelines and will be truly engaging for children of all abilities.

* The most a member could contribute is \$11.88 (99 cents a month). PUC is not able to add additional sums onto your account, nor are you allowed to include any additional amount on your utility payment. For accounting purposes, any additional amount included on your utility payment, over and above the round up, will be credited to your utility account – NOT to Operation Round-up.

* If you want to donate additional money beyond your round up amount, you need to send a separate check payable to Playground for EveryBODY. These can be mailed to City Hall or brought in with your utility payment.

If you are already contributing through Operation Round Up - **THANK YOU!**
Prior contributors do not need to return this form to continue their donations.

Please complete this bottom section and return with your utility payment.

SIGN UP FOR OPERATION ROUND UP

_____ Yes, I want to participate in Operation Round Up by allowing PUC to “round up” my account(s) to the nearest dollar each month.
