## Ordinance 05-21

### AN ORDINANCE AMENDING SECTION 1001.03 DESIGN STANDARDS OF THE CITY OF PROCTOR CITY CODE BY ADDING SUBD. 11 PEDESTRIAN INFRASTRUCTURE

**WHEREAS;** the City of Proctor, Minnesota (“City”) may from time to time have opportunity to apply for and receive from the State of Minnesota grants or other funding under the State’s Safe Routes to School Program as set forth in Minnesota Statutes §174.40; and

**WHEREAS;** to be eligible for said funding, Minnesota Statutes §174.40, Subd. 4a requires the City to adopt subdivision regulations that require safe routes to school infrastructure in developments authorized on or after June 1, 2016; and

**WHEREAS;** Section 1001.03 of the City of Proctor City Code includes subdivision regulations which do not presently require connected sidewalks and/or bikeway facilities in developments authorized by the City; and

**WHEREAS;** The City has not authorized any subdivision development since June 1, 2016 but may do so in the future; and

**WHEREAS;** the City Council has determined that requiring connected sidewalks and/or bikeway facilities in development authorized by the City would not only serve public health, safety and general welfare but would also allow the City to be eligible for the State’s Safe Routes to School funding;
