Congratulations on a successful and productive filing season!

With several new federal tax laws and navigating virtual and drop-off tax assistance due to COVID-19, this filing season was unique and challenging. Thank you for taking the time to train your volunteers on these new tax law changes to ensure accurate returns were prepared this filing season. The Minnesota Department of Revenue appreciates your commitment to helping Minnesota taxpayers receive high quality and free tax preparation services.

We had a productive volunteer program again this year. As of May 6, 2022, all of Minnesota's volunteer sites combined have filed nearly 108,000 federal and Minnesota income tax and property tax returns. As a result, over \$79 million in refunds went back to our communities and the taxpayers who need them most.

The volunteer tax preparation program provides an important service to our communities. We accomplished success this year because of your volunteers' hard work and dedication. We included a certificate to recognize your site's exceptional work this year.

Thank you again for your outstanding performance and dedication to the volunteer tax preparation program. We look forward to working with you again next year.

Sincerely,

Jessica Delcid

Administrator Rich distributed the signed management agreement between the City of Proctor and Jason Klatte. Clarification made on item 11. Management is the contractor aka Jason Klatte.

Manager Jason Klatte presented a list of improvements he would like to see. The list included improvements to the clubhouse which the city will assist with, a list of grounds improvements which Klatte will be responsible for, and a list of equipment upgrades are items the Trust may want to address. City Administrator Rich added items included on the list that are the responsibility of the city include rekeying, AC unit upgrade, lighting repair inside and out and addressing security cameras. Other items such as parking lot improvements and flooring are items that need to be budgeted for.

Administrator Rich has made a list of 2022 meeting dates which will be distributed to the committee and posted at the clubhouse.

MINUTES OF THE PROCTOR GOLF ADVISORY COMMITTEE MEETING

Wednesday, May 25, 2022, 3:00 Proctor Golf Course Clubhouse

***2B**

Meeting called to order at 3:05 by Administrator Jess Rich

MEMBERS PRESENT: Gordy Downs and Cindy Upton.

OTHERS PRESENT: City Administrator Jess Rich and Course Manager Jason Klatte

Motion by Upton, second by Downs to approve the agenda.

Motion by Upton, second by Downs to approve the March 23, 2022, Proctor Golf Advisory Committee meeting minutes.

Manager Jason Klatte presented the following course updates:

- Klatte had the AC unit evaluated and was told it is sized correctly but needs a thorough cleaning which has been scheduled.
- Klatte received one quote and is expecting a second for paving the parking lot. The first quote was over \$100,000. The committee discussed and agreed cart paths are a higher priority whether done in phases or at one time. Klatte will look in to getting a quote. Priority areas are 4, 6, 7, and 8.
- Klatte reported the equipment is in good condition, but he is the only one who operates the Workman because of clutch problems.
- Klatte reported the course needs more golf carts. Currently have 22 but needs up to 36 for large events. Rentals are \$60 per day each. The committee discussed storage issues and explored a few options with no resolution. Klatte has 5 large events scheduled.
- Klatte received a quote for replacement of indoor and outdoor lighting but decided to repair himself for now.
- Klatte and his wife cleaned the carpet but is holding off in looking at new flooring until he is settled on a floor plan.
- Klatte installed a basic camera system which has already led to the recovery of stolen items.
- Klatte asked if the city would ask the residents along east side (3rd fairway) of the course to stop dumping leaves and yard debris in the drainage area because it causes drainage problems. Jess will talk to Rick and Jay about it.
- Rich informed the committee the city is in the early stages of the budget process. Klatte and Downs will meet to discuss 2023 projects and what might be funded by the Gordy Downs Trust Fund.
- Upton suggested Klatte ask or request volunteer help for any special events or project as there are members who might be happy to help.
- Klatte reported one of the leagues was upset about the City of Proctor Public Safety Scramble being scheduled on a league day. The scramble would not interfere with league golfing but the luncheon after golfing. Upton and Downs supported Klatte's scheduling 1) he is the manager and can make decisions such as this, 2) it is a one-time event and 3) the agreement between Klatte and the City of Proctor states the city should be given access to the course when requested in a reasonable timeframe. Upton will relay to the league the golf committee's support of the scheduling.

Next meeting Wednesday July 27, 2022, 3:00 PM

Motion by Upton, seconded by Downs to adjourn at 4:14 PM.

Respectfully Submitted, Jess Rich

Re: 2023 Budget Process

Finance Director Brunfelt has drafted a 2023 Budget timeline (attached.) We will be looking for council direction prior to discussing the budget with department heads. Our hope is to receive goals and targets from the council which we can then relay to department heads. We think it might be best to schedule a working session to discuss the topics below:

What is your reserve fund balance goal?

What is the debt to levy percentage goal?

Are there any capital equipment purchases you'd like the departments to consider?

Are there specific park improvement/development goals?

What are the goals for the fairgrounds in 2023?

Are there CIP items (other than the 2nd Street Project) the council would like to address in 2023?

Are there any salary/wage/staff adjustments that need to be addressed? For example, in 2022 we adjusted the park workers and liquor store non-affiliated to remain competitive.

What direction do we want to take in facility maintenance?

Should PEDAs budget be in general fund, or do you want to consider a separate levy?

Are there beautification projects or area you'd like the committee to consider?

What are your thoughts and predictions of inflation?

City of Proctor
Blight and Nuisance Abatement
Special Assessment Program

A. Goal and Objective

1. The goal of the City of Proctor Blight and Nuisance Abatement Special Assessment Program is to partner with public and private property owners to remove blighted structures and encourage reinvestment in the property.
2. The objective of the program is for the City of Proctor to provide a means to help make the repayment of abatement costs more manageable for property owners.

B. Background

1. City of Proctor Code 91.007 allows the City of Proctor to charge a property owner for the abatement of blighted/nuisance structures and, if unpaid, be certified to the County Auditor for collection as a special assessment, pursuant to Minnesota Statute 429.101.
2. Historically, the City of Proctor has assessed blight/nuisance abatement as special assessments in one lump sum to the County Auditor. The County Auditor then bills the special assessment in two installments on the property tax statement. If the total amount on the property taxes statement is not paid in full the special assessment becomes delinquent.

C. City of Proctor Blight and Nuisance Abatement Special Assessment Program

1. The City of Proctor abatement of blighted/nuisance structures could be assessed according to the following schedule plus 2% interest:

Cost of Abatement	Yr. 1	Yr. 2	Yr. 3	Yr. 4
Up to \$2,500	100%			
\$2,501-\$5,000	50%	50%		
\$5,001-\$10,000	34%	33%	33%	
\$10,001-\$20,000	25%	25%	25%	25%

2. Prior to the cleanup of the blighted/nuisance property the City of Proctor will present the cost to the property owner. The City of Proctor reserves the right to choose the contractor and method of abatement and will follow the process in city code.
3. The property owner must request and agree to participate in the City of Proctor Blight and Nuisance Abatement Special Assessment Program prior to the property abatement by signing the City of Proctor Blight and Nuisance Abatement Special Assessment Agreement. If the owner does not request participation in the program, it is understood 100% plus 2% interest of the abatement costs will be assessed to the County Auditor collectible in the year following the abatement and payable in two installments with the payment of property taxes.
4. The Proctor City Council will review and approve all requests.

D. Criteria and Eligibility

1. Property taxes including current year special assessments, City of Proctor utility bills and unpaid City of Proctor fines must be paid in full.
2. Applicant may be required to merge properties if applicable after blight/nuisance removal.
3. Qualifying expenses include necessary permits, filing fees, legal fees, asbestos removal, environmental analysis, removal/disposal of debris, contractor payments, and greening costs.
4. If at any time during participation in the program the property taxes or Proctor utilities become delinquent, the assessment will be due immediately and in-full. If payment is not received the remaining balance will be to the County Auditor collectible in the year

following the abatement and payable in two installments with the payment of property taxes.

5. Participation in the program is not transferrable. If the property sells during participation in the program, the blight/nuisance assessment will be due in-full at the time of the sale.
6. The Proctor City Council reserve the right to amend these criteria as it sees fit at which time the property owner may either consent to the amendments or withdraw their request.

WHEREAS, the parties desire to enter an agreement setting forth the terms of their relationship relative to the Project. ;

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties hereby agree to the following:

1. The City shall prepare a plan for construction of the Project in accordance with the most current Edition of the Minnesota Department of Transportation “Standard Specifications for Construction,” hereinafter referred to as the “Plan,” and shall take all actions necessary to prepare the Project for construction, including, but not limited to obtaining any and all applicable environmental permits as required by law, temporary storage sites, temporary or permanent easements, site restoration, and coordination with utilities, including relocation of existing facilities, at its cost and expense.

Re: EFT ACH Payment Policy

Finance Director Brunfelt has been researching programs and systems to pay our bills electronically rather than printing and mailing checks. Civic Systems, our current system vendor, offers this feature as an add-on and provided us with a quote (attached.) Between the labor, checks, postage, and envelopes we estimate an annual savings of about \$1,500 per year. In addition, our payments will reach vendors in a timely manner. Currently, it can take up to two weeks for checks to reach certain vendors which sometimes results in late fees.

The State of Minnesota has specific language in statutes regarding EFT banking and the Minnesota State Auditor and League of Minnesota Cities have issued guidance on the process. This is not an auto-pay system, the process of approval and paying will be that same. The electronic payment file will be initiated after council approval of bills and the council will receive the same reports in the council packet.

Electronic Funds Transfers

To pay vendor claims, many local government entities may use electronic funds transfers instead of checks. Electronic funds transfers may also be used to purchase and sell investments.

While these transactions are convenient, they present unique opportunities for fraud. As a result, state law requires local units of government to adopt certain policies and procedures before electronic funds transfers are made. The law now specifically requires counties, local social service agencies, school districts, towns, park districts, and home rule charter cities of the second, third or fourth class to have all of the following policy controls in place before using electronic funds transfers:

- On an annual basis, the governing body must delegate to a designated business administrator the authority to make electronic funds transfers;
- The disbursing bank must keep on file a certified copy of the delegation of authority;
- The person initiating the electronic transfer must be identified;
- The person initiating the electronic transfer must document the request and obtain approval from the designated business administrator before initiating the transfer;
- Written confirmation of the transaction must be made within one business day after the transaction; and
- A list with all transactions made by electronic funds transfer must be submitted to the governing body at its next regular meeting.

These requirements are mandatory for the local government entities listed above, and they provide guidance for other units of government when drafting their policies and procedures.

Statutes governing electronic funds transfers include [471.38](#) (counties, local social service agencies, school districts, towns, park districts, and home rule charter cities of the second, third or fourth class) and [471.381](#) (cities, towns, and counties).

471.38 CLAIMS.

Subdivision 1. **Itemization; declaration.** Except as provided in subdivision 2, if an account, claim, or demand against a local government for any property or services can be itemized in the ordinary course of business, the board or officer authorized by law to audit and allow claims shall not audit or allow the claim until the person claiming payment, or the person's agent, provides to the board or officer an itemized list in writing or in an electronic transaction record. By making the claim for payment, the person making the claim is declaring that the account, claim, or demand is just and correct and that no part of it has been paid. The board or officer may in its discretion allow a claim prepared by the clerk or secretary of the board or officer prior to the declaration by the claimant if the declaration is made on the check or order-check by which the claim is paid, as provided in section 471.391, subdivision 2. For the purposes of this section, "local government" means any county, local social services agency, school district, town, or home rule charter city of the second, third, or fourth class, or any park district.

Subd. 2. **Application.** The provisions of this section do not apply to any claim or demand for an annual salary or fees of jurors or witnesses, fixed by law, nor to the salary or wages of any employee whose salary or wages have been fixed on an hourly, daily, weekly or monthly basis, by the governing board of the municipality, and which is now authorized by law to be paid on a payroll basis.

Subd. 3. **Electronic funds transfer.** Electronic funds transfer is the process of value exchange via mechanical means without the use of checks, drafts, or similar negotiable instruments. A local government may make an electronic funds transfer for the following:

- (1) for a claim for a payment from an imprest payroll bank account or investment of excess money;
- (2) for a payment of tax or aid anticipation certificates;
- (3) for a payment of contributions to pension or retirement fund;
- (4) for vendor payments; and
- (5) for payment of bond principal, bond interest and a fiscal agent service charge from the debt redemption fund.

Subd. 3a. **Eligibility.** The authorization in subdivision 3 extends only to a local government that has enacted all of the following policy controls:

- (a) the governing body shall annually delegate the authority to make electronic funds transfers to a designated business administrator or chief financial officer or the officer's designee;
- (b) the disbursing bank shall keep on file a certified copy of the delegation of authority;
- (c) the initiator of the electronic transfer shall be identified;
- (d) the initiator shall document the request and obtain an approval from the designated business administrator, or chief financial officer or the officer's designee, before initiating the transfer as required by internal control policies;
- (e) a written confirmation of the transaction shall be made no later than one business day after the transaction and shall be used in lieu of a check, order check or warrant required to support the transaction;

(f) a list of all transactions made by electronic funds transfer shall be submitted to the governing body at its next regular meeting after the transaction.
