§ 11.01 PURPOSE AND INTENT.

Administrative offense procedures established pursuant to this chapter are intended to provide the public and the city with an informal, cost effective and expeditious alternative to traditional criminal charges for violations of certain city code provisions. The procedures are intended to be voluntary on the part of those who have been charged with administrative offenses. At any time prior to the payment of the administrative penalty as is provided for thereafter, the individual may withdraw from participation in the procedure in which event the city may bring criminal charges in accordance to law. Likewise, the city, in its discretion, may choose not to initiate an administrative offense and may bring criminal charges in the first instance. In the event a party participates in the administrative offense procedure, but does not pay the monetary penalty, which may be imposed, the city will seek to collect the costs of administrative offense procedures as part of a subsequent criminal sentence in the event the party is charged and is adjudicated guilty of the criminal violation.
