### I. PAYMENT ALLOCATION DETERMINATION

This Notice is an official communication from the Directing Administrator of the National Opioid Settlements. A copy of this Notice has been sent to the Enforcement Committee and Settling Distributors pursuant to Section IV.B of the Distributor Settlement Agreement, dated as of July 21, 2021, as amended, between and among the Settling States, the Settling Distributors, and Participating Subdivisions (the "Distributor Settlement Agreement"). All capitalized terms used in this letter have the meanings ascribed to them in the Distributor Settlement Agreement.

Pursuant to Section IV.B and Exhibit M of the Distributor Settlement Agreement, Minnesota's Total Payment Year 1 amount is \$11,690,273.45, which is broken down in Table 1 in Attachment 1 to this Allocation Notice.

As provided under Section V.C of the Distributor Settlement Agreement, Minnesota has instructed the Directing Administrator to calculate the intrastate allocations pursuant to its State-Subdivision Agreement, the Minnesota Opioids State-Subdivision Memorandum of Agreement. Under this State-Subdivision Agreement, the Directing Administrator will allocate the Annual Payment as follows: (i) 25% to the State Abatement Fund and (ii) 75% to the Local Abatement Funds subject to a 7% reduction for funds held for the Backstop Fund. Minnesota has further instructed the Directing Administrator to allocate the Additional Restitution Amount to the State. The intrastate allocations are included as Attachment 1 to this Allocation

Undisputed amounts allocated to the State Abatement Fund and the Local Abatement Funds for the listed Participating Subdivisions will be paid no later than the date that is 50 days after the date of this Allocation Notice.

### II. YOUR RIGHT TO DISPUTE

Section IV.B.4 of the Distributor Settlement Agreement provides that within twenty-one (21) calendar days of receiving notice any party may dispute the calculation of the amount to be received by a Settling State or its Participating Subdivisions listed on Exhibit G as inconsistent with the terms of the Agreement. Written notice must be provided to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

A party has until the Deadline to Dispute Allocation listed at the top of this Allocation Notice to deliver a written notification of dispute. The amounts listed in this Allocation Notice will be deemed accepted if the Directing Administrator has not received a party's dispute before midnight Eastern Time on the deadline date. Submit your written request by email to <u>DirectingAdministrator@NationalOpioidOfficialSettlement.com</u>.

Any party affected by the dispute may object to the notification of dispute. Depending on the nature of the dispute, contested disputes must be resolved in either the court that entered a state's Consent Judgment or the National Arbitration Panel. The Directing Administrator will not disburse any funds potentially affected by a contested dispute until the dispute is resolved by the court or the National Arbitration Panel.

### III. TO ACCEPT PAYMENT

If you do not dispute the payment, please create a Portal Account following instructions in the accompanying email, which will direct you to complete the Payment Election Forms and W-9 Forms to create payment instructions for any Settlement Payments.

### IV. TO REALLOCATE PAYMENT

Any city allocated a share may elect to have its full share or a portion of its full share of current or future annual distributions of settlement funds instead directed to the county or counties in which it is located, so long as that county or counties are Participating Local Governments. If a city wishes to reallocate any or all of its allocation to the county or counties in which it is located, it may do so by emailing <a href="mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com">DirectingAdministrator@NationalOpioidOfficialSettlement.com</a> before the Deadline to Dispute Allocation included on

this Allocation Notice for Payment Year 1. Such elections in subsequent years must be made by January 1 each year to apply to the following fiscal year. The Directing Administrator will not treat a reallocation request as a dispute.

Sincerely,

BrownGreer PLC Directing Administrator 250 Rocketts Way Richmond, VA 23231

September 5, 2022 701 2<sup>nd</sup> St. Proctor, MN 55810

City Council 100 Pionk Drive Proctor, MN 55810

Dear Council Members,

May I encourage you to walk 2<sup>nd</sup> St if you have not already done so? Start at city hall, walk to the school on the north side, and return by the south side. As you walk, note how the proposed trail and sidewalk plans will affect the properties. Note the trees and bushes that would be cut down. Note the yards that would be greatly diminished, some more than others, of course.

Enclosed you will find two photos. One is of the block from 6<sup>th</sup> to 7<sup>th</sup> street. You can see how a trail will affect the front yards of the few homes in the picture. The second is of our front yard at 701 2<sup>nd</sup> St. A stake has been placed in the middle where the proposed trail would end, probably taking the maple clump at the right. Note also the three maples in the left background that would be sacrificed for a trail along the road. They survived the road reconstruction in the 60s and might live through this one also.

We like trails and are in favor of more in the Proctor area. We simply suggest that such amenities do not belong in the residential area originally laid out in a different era and a different style. Proctor has other options to connect the Munger Trail. The proposed route going through Egerdahl Park and beyond is an excellent option.

We appreciate the time and energy the City Council is putting into this project.

Thanks You, Richard Lauges

Subject: I-35 Corridor Plan – Community Engagement

The Duluth-Superior Metropolitan Interstate Council (MIC) and Minnesota Department of Transportation (MnDOT) have launched an I-35 Corridor Plan project. The project limits are from Midway Township to 26<sup>th</sup> Avenue East in Duluth. The plan will identify and prioritize maintenance needs, investment strategies, and improvements for all I-35 users within the project limits. The team wants to engage stakeholders and the public to help create the corridor vision and project priorities.

Our engagement strategy is to convene focus group meetings in October 2022 and again in Spring 2023. We have divided the corridor into three segments to facilitate the focus group meetings on I-35 subareas. To convene interested stakeholders, we are asking organizations and elected officials to nominate residents and businesses to participate. We hope that you will nominate an individual by completing the attached form and returning it to Dan Pfeiffer at dpfeiffer@zanassoc.com. (Zana Associates is part of the Bolton & Menk consultant team that is working for the MIC and MnDOT). We encourage you to nominate residents or business representatives rather than elected officials. Elected officials can influence focus group membership, participation of non-elected officials, and will have formal opportunities to be involved in project decision-making.

#### Participant time commitment

We intend to hold a virtual focus group meeting, for one hour, with each of the three I-35 segments during the evening. We have identified the week of October 10<sup>th</sup> to conduct these meetings. The second focus group meeting will be in-person in the Duluth area in Spring, 2023 and we intend that the same participants will be involved.

Re: Proctor Utilities Commission – Vacant Position

From: City Administrator Jess Rich

The Proctor Public Utilities Commission seat vacated by Carol Lind was published for two weeks. One application was received. Some commission members had heard of interest in the community and were surprised there weren't more applications. The commission is concerned the public did not know about the open position because it was not posted on social media. The commission recommended by motion the application period be open for another three weeks to ensure the public is given time and notice to apply.
